# THE SPIRE

The Rev. Dr. Sungmu Lee

April 2010

## ***From the Pastor***

After the Sunday service on March 7th, we had a farewell party for Caren DeRonde who is relocating to South Carolina after Easter. She has dedicated herself to our church faithfully serving in the capacity of Finance Committee Chair, Chair of Stewardship, an Offering Steward, Spire editor, Trustee, member of the flower committee, serving in the Soup Kitchen, working on getting grants for our church as well as being instrumental in setting up and running the Thrift Shop, and organizing Vendor Fairs. I may have missed something else that Caren has served for, but I know she will forgive me.

I have been impressed by Caren not because of the many services she has performed but also because of her attitude in serving. She always smiled, was humble and did not expect anything in return. I have met some Christians who said, "I have served my church, but I have not received much from the church. I am so disappointed and I am not going to work for my church anymore." If you encounter one of those people, please tell him/her to learn from Caren DeRonde, who has served God's church, not because she expects something in return, but because she has already received precious gifts from God, such as love, joy, and hope.

Caren reminds me of the woman, named Mary, who spread a bottle of costly perfume on Jesus' feet and washed his feet with her hair. This bible story has been used by preachers who emphasize the generous offering. When we say "offering," we usually think of financial offering, but our offering to God should be more than that. As Mary did, it is to give not only financial resources but also ourselves to the Lord.

Caren is leaving us after Easter, but her spirit will remain at our church as a good example of faithful dedication. Caren ...we will miss you! Although we are separated, we will communicate with each other through prayers and the Holy Spirit (and by email and phone). We will inherit your wisdom and sound Christian faith and do our best with joy to make our church better in God's sight. God bless you, Louis, and your family.

**IN APPRECIATION**

---

I want to thank everyone for your warm sentiments at Church on March 7th. In case you couldn't tell I was very touched and am so honored to know that at future baptisms you will be using a vessel that was donated in my honor. I accept the honor you bestowed on me but feel there are many more members of our church that have dedicated their time and energy as much as I have and will continue to carry on the good work of our church. I will be taking many lovely memories with me to South Carolina and although I will be finding a Church there it will never be the same experience I have had here. You have been a wonderful Church family to me and I plan to visit whenever I am back in New York. God bless all of you.
